

**TEGSEDI® REMS**  
**Patient Status Form**

**This form must be completed for all patients treated with TEGSEDI as follows:**

- Every 90 days following the first dispense of TEGSEDI treatment
- At discontinuation of TEGSEDI treatment
- At 8 weeks following discontinuation of TEGSEDI treatment (*this is the final 8 week Patient Status Form*)
- **At any time there is a change in prescriber or transfer of care**

Submit the completed form:

- Online at [www.TEGSEDIrems.com](http://www.TEGSEDIrems.com)
- Or Fax: 1-855-4TEGREMS (855-483-4736)

**NOTE:** Laboratory monitoring is done more frequently than the submission of this form.

### **Laboratory Monitoring**

**Following treatment initiation, certified prescribers must assess each patient's platelet count and renal function [estimated glomerular filtration rate (eGFR), urinalysis, and urine protein to creatinine ratio (UPCR)] and appropriateness of continuing treatment as follows:**

- Platelet count: Every week or more frequently as described in the Prescribing Information
- Renal function: Every 2 weeks

**After a treatment discontinuation, the patient's platelet count and renal function must continue to be monitored for 8 weeks as follows:**

- Platelet count: Every week or more frequently as described in the Prescribing Information
- Renal function: Every two weeks
